## Student Information Update:

Please call the office if you have changed your phone number. There were several numbers that came back with a "not in service" voice message. Updated information assures us of the safety of our kids. We cannot send students home during the school day - if sick for instance, when no one answers to let us know there is an adult to receive them, or to give medication without your verbal consent. In addition, the front staff needs to be called or given a written notice when your child is going to stay inside for recess.

## Important Dates:
