### Start On -Time

Students should arrive early to be dressed and ready to start practice on time. Gym shoes required.

### Games & Adjusting Schedule

We anticipate our first games to be held **Sat., January 25**, and our second games Sat., Feb 1. Then we plan on moving to Fri. & Sat. games for remainder of February. Also, we plan on opening up practice on Mondays near the end of Feb. once the archery season is complete. All plans subject to change. Stay informed.

### Physicals

All students must complete a school physical for the current school year before practicing.

### Absences

Students are expected to attend every practice. All absences need to be excused by a parent/guardian. Kids cannot excuse themselves or others. Students with an unexcused absence will not be eligible for games that week. Students will be removed from the team after three unexcused absences.

### Injuries

If students experience an injury they should tell their coach immediately. It will be the student's responsibility to care of the injury outside of practice. Injured students are not automatically excused from practice and should still come to watch and learn.

**School Eligibility**

Each school has their own rules for eligibility. Please refer to site administrator or dean of students. It is the responsibility of the student to ensure they have met their school's requirements.

**Coaches Eligibility****In addition to completing the schools eligibility forms**

1. Completing at least 8 practice days.
2. No unexcused absences the week of the game.
3. Being in good health. If students have injuries that prevented them from practice or risk being worsened they will not play.

**Game time**

Each student should receive approximate equal game time throughout the season. At the coaches discretion game time may be reduced for the following reasons: displays of poor sportsmanship, limited practice time (due issues like excused absences or injury).

**Sportsmanship**

Sportsmanship is treating everyone with respect, appreciation and a good attitude. This will include listening and following directions, talking politely, working hard, and being kind. Students are expected to demonstrate sportsmanship at all times.

**Parent Participation**

We'll need parental help during games concessions, doors, and clean-up. Adult referees are very important; we'll be asking parents with basketball experience to assist.

**Coach- Parent Communication**

If you have any concerns please talk to your coach. We want this to be a positive learning experience for all involved.

**Coaches will provide information through text message**
